PROFILE

From the first day I wrote my first line of code, I knew I was hooked into the world of web development and with about four years experience, I am still in love. I am passionate about building beautiful, intuitive and optimized user Interfaces with a robust and secure backend to create an awesome user experience. I am constantly learning new skills and evolving to meet the demands of modern web development.

EXPERIENCE

Muhammad Main Udin IT Solutions UAE
(March 2020 - Present)

Web Developer

- Development of full stack web applications with ReactJs, Redux, SCSS, NodeJs, ExpressJs and MongoDb
